

This is an exact representation of the carton containing a bottle of St. Joseph's Liquid Liver Regulator, but it is much larger than this illustration, and printed in black ink on a yellow carton. Druggists and general merchants sell it at 50 cents a bottle, or you can get it direct from us at the same price. This is a delightful liver medicine—prompt, effective, and exceedingly pleasant to the taste. Try just one bottle to satisfy yourself—and you'll buy more.
